## ANNUAL FLAT-RATE TUITION

SFA is working with students on a program to help them graduate on time and with overall lower costs. The new Flat-Rate Tuition savings plan will allow any Texas undergraduate student enrolled in 12 or more hours to be charged a flat-rate tuition of \$5,300 per long semester for the 2020-21 academic year.

We also have eliminated course and lab fees, and included a flat \$100 semester charge for all undergraduates into the plan.
